**Issues To Be Discussed**

---

**Brief Description of Argument to be Presented**

**Primary independent claim 1:**

The prior art of record, taken alone or in combination, does not disclose all the limitations of claims 1-13. For example, the prior art of record does not disclose or reasonably suggest methods of producing highly pure electrode arrays employing a reprotection step. (See e.g., pgs 7-8 of Amendment of September 22, 2009).
